

# PEEL & STICK™ TPO

Self-Adhering Membranes and Accessories

*Above all.*

# ACTUALLY, IT IS EASY BEING GREEN

GenFlex Peel & Stick™ patented technology makes your job easier. And the planet greener. Maybe that's why it caught on so fast. Since its launch in 2003, our Peel & Stick system has proven to be one of the most significant advancements in roofing in the past decade.

The big idea? Building the adhesive into the membrane. The big advantage? Eliminating the need to apply a liquid bonding adhesive. This revolutionary improvement solves many challenges of traditional fully adhered applications. With GenFlex Peel & Stick™ TPO, you simply align the membrane, remove the release liner and adhere the membrane to the substrate. No adhesives to apply means no dry time or solvent fumes. What could be easier?

# GENFLEX ACCESSORIES

## PEEL & STICK™ MEMBRANES AND ACCESSORIES

GenFlex Peel & Stick technology brings superior performance to your entire project – not just the TPO membrane, but TPO flashings, pipe boots, seam tape and TPO cover tape all go down quickly, cleanly and easily.

## PEEL & STICK™ TPO MEMBRANE

- ▼ **Thickness:** 45 mil (1.14 mm) and 60 mil (1.52 mm)
- ▼ **Standard widths:** White HW - 6.25' (1.91 m) and 10' (3 m)
- ▼ **Standard lengths:** 100' (30.5 m)

## Peel & Stick™ TPO Flashing Membrane

- ▼ Pre-applied pressure-sensitive adhesive
- ▼ Pre-cut flashing sizes for less set-up time
- ▼ 18 3/4" width (476 mm) x 100' length (30.5 m)

## Peel & Stick™ Seam Tape

- ▼ Two-sided, cured butyl seam tape (White)
- ▼ One-step clean-and-prime application with scrub pad and handle
- ▼ Excellent adhesion to TPO membranes
- ▼ 3" width (76.2 mm) x 100' length (30.5 m) rolls

## Peel & Stick™ Pipe Boots

- ▼ Injection-molded TPO boot with pre-applied butyl tape
- ▼ Fast and easy installation with GenFlex clear primer
- ▼ Fits openings from 1" - 6" (25.4 mm - 152.4 mm)

## Peel & Stick™ Cover Tape

- ▼ 5" (127 mm) wide TPO membrane flashing with pre-applied butyl tape
- ▼ Fast and easy way to strip in metal edge
- ▼ Can also be used to patch holes or punctures in membrane

## Peel & Stick™ Yellow Safety Strip

- ▼ 30 mil (0.76 mm) yellow TPO membrane laminated to a white, cured seam tape
- ▼ 5.5" wide (140 mm) x 100' long (30 m)
- ▼ Easy to install, long-lasting option for identifying hazards on the roof

## Walkway Pad

- ▼ 30" wide (140 mm) x 50' long (15 m)
- ▼ Highly reflective white textured surface for visibility and increased slip resistance
- ▼ Smooth bottom for easy welding and installation
- ▼ Scrim reinforcement for dimensional stability and increased durability

## PEEL & STICK™ FASTENERS AND ACCESSORIES

No roofing system is complete without fasteners. That's why GenFlex offers a complete line of fasteners and installation accessories to make sure your roofing system isn't missing a thing. For specific application needs, see the product data sheets at [www.GenFlex.com](http://www.GenFlex.com).

**WE'RE PART  
OF THE ROOF,  
NOT THE PROBLEM.**

At GenFlex, we understand the challenges you face. You've got to stay on top of the latest products and installation methods to stay ahead of the competition. That's why GenFlex offers comprehensive classroom and hands-on training programs. And we can bring it to you anywhere, anytime. Our team has the knowledge and expertise to demonstrate the most efficient, quality roofing installation methods to keep you out in front.

We also offer an extensive library of videos on our website. Visit us online for the latest information on our products, system specifications, technical information, detail drawings, SDS and product data sheets, plus details on GenFlex training programs. You can also order GenFlex samples and literature. Learn more at [www.GenFlex.com](http://www.GenFlex.com)

### **Warranties and Code Requirements**

A full array of warranties, including full system coverage of membrane, insulation and accessories, is available. Warranted installations are inspected by QBS Technical Representatives, ensuring that the roofing system meets all warranty requirements. GenFlex has systems that have achieved Underwriters Laboratories™ (UL) classifications and Factory Mutual (FM) approvals. GenFlex systems are also listed by International Code Council™ (ICC) and Miami Dade County. Refer to the appropriate agency publication for other listings, or contact the GenFlex Roofing Systems technical department.
