Subject: New Product Introduction – TPO Heat Weldable Walkway Pad (Light Grey)

GenFlex Roofing Systems will be making the following minor improvements to its existing TPO Heat Weldable Walkway pad.

- ▼ The Walkway Pad color will be changed to light grey. This contrasting color will increase the visibility after installation and when using the walkway system.
- ▼ The roll lengths will be shortened to 50', making the rolls 10% lighter and easier to handle during installation.

The following product information can be used when ordering this new product:

<u>Product Name</u>	<u>Part Number</u>	<u>List Price</u>
TPO Heat Weldable Walkway Pad (Lt.Grey)	W590030096	\$495.00

Please note that the existing inventory of white walkway pads will be depleted prior to shipment of any light grey pads.

For additional product information, including physical properties and applications instructions, contact your Territory Sales Manager or visit the Technical Info tab at [www.GenFlex.com](http://www.GenFlex.com).

Thank you for your continued support of GenFlex Roofing Systems.

Sincerely,
