Subject: GenFlex Announces Change to Product Packaging

I wrote you in October, 2007, about changes to the packaging of two GenFlex products. This bulletin is to amend what you received concerning our 3" Seam Tape. The packaging information as shown below has not changed from the previous bulletin; however the Part Number is changing from 10065 to 10072. The change listed below will occur as inventory in the former packaging is depleted in late January to early February.

Upcoming change:

<u>Part Numbers</u>	<u>Part Name</u>	<u>Current Package</u>	<u>Revised Package</u>	<u>When</u>
10065 / 10072	3" Seam Tape	4-rls / ctn (10065)	6-rls / ctn (10072)	February, 2008

We will be posting an updated Price Bulletin to our website with the specific packaging, shipping weight and list pricing before February 1. If you have any questions concerning this change, please contact your GenFlex Territory Sales Manager or Customer Service Representative.

Thank you for your continued support of GenFlex.

Sincerely,

Marty Jolly
