Subject: New EPDM Bonding Adhesive

GenFlex is proud to introduce a new solvent based EPDM Bonding Adhesive designed specifically for use with GenFlex EPDM membranes and substrates. This high performance bonding adhesive has achieved equivalency at both UL and FM and can be used for all GenFlex EPDM applications.

The following is the new product information for EPDM Bonding Adhesive:

<u>Product Name</u>	<u>Part Number</u>	<u>List Price</u>
EPDM Bonding Adhesive	W590010152	\$120.50

Note: The current Bonding Adhesive (W590010076) must still be used on GenFlex TPO applications requiring UL and FM ratings.

For additional product information, including physical properties and application instructions, please refer to the appropriate Product Data Sheet located in the Technical Info tab at www.GenFlex.com.

Contact your Territory Sales Manager or GenFlex Distributor for more information on GenFlex's new EPDM Bonding Adhesive. As always, thank you for your continued support of GenFlex Roofing Systems.

Sincerely,

James E. Burkett
Product Development Manager
