For the warranty period indicated above, GenFlex Roofing Systems, an operating division of Firestone Building Products, LLC, an Indiana limited liability company ("GenFlex"), warrants to the Building Owner ("Owner") named above that GenFlex will, subject to the Terms, Conditions and Limitations set forth below, provide labor and material to repair any leak in the GenFlex Roofing System ("System") caused by deterioration in the GenFlex brand Materials due to normal weathering or any manufacturing or workmanship defect in the System.

TERMS, CONDITIONS AND LIMITATIONS

Products Covered. The System shall mean only the GenFlex brand roofing membranes, GenFlex brand roofing insulations, GenFlex brand roofing metal, and other GenFlex brand roofing accessories when installed in accordance with GenFlex technical specifications by a GenFlex-licensed applicator. Any materials not manufactured or supplied by GenFlex are not covered under this Roofing System Limited Warranty ("Limited Warranty").

Notice. In the event that any leak should occur in the System, Owner must give notice to GenFlex Warranty Services in writing or by telephone within thirty (30) days of the occurrence of the leak. By so notifying GenFlex, Owner authorizes GenFlex or its designee to investigate the cause of the leak at its option.

Investigation. Should the investigation reveal that the leak is excluded under the Terms, Conditions and Limitations set forth in this Limited Warranty, Owner shall be responsible for payment of the investigation costs. Failure by Owner to pay for these costs shall render this Limited Warranty null and void. Owner is responsible for completing repairs not covered by the Limited Warranty to be made at Owner's expense that will permit this Limited Warranty to remain in effect for the unexpired portion of its term. Failure by Owner to properly make these repairs in a reasonable manner using a GenFlex-licensed applicator and within 60 days shall render this Limited Warranty null and void.

No Dollar Limit (NDL). If upon investigation, GenFlex determines that the leak is not excluded under the Terms, Conditions and Limitations set forth in this Limited Warranty, Owner's sole and exclusive remedy and GenFlex's total liability shall be limited to the repair of the leak. There is no dollar limit placed on warranted leak repairs to the extent such repairs are covered by this Limited Warranty.

Exclusions. GenFlex shall have no obligation under this Limited Warranty, or any other liability, now or in the future, if a leak or damage is caused by: Hail; Winds of peak gust speed at or in excess of 55 MPH calculated at ten (10) meters above ground using available meteorological data (all associated building components, including but not limited to the deck substrate, joists, columns and foundation, must also meet wind speed design requirements); Storage of materials or equipment on the roof not specifically accepted in writing by GenFlex; Damage to the roof incurred during breach, rupture or failure of any building envelope component during a flood or wind event not covered under warranty; or, Failure to give proper notice to GenFlex Warranty Services as set forth above.

Transfer. This Limited Warranty shall be transferable and assignable subject to Owner's payment of the current transfer fee set by GenFlex.

Alteration. Owner shall notify GenFlex in writing upon making any alterations to the System or Materials, or installing any structures, fixtures, or utilities on or through the System after installation, including, but not limited to, Photovoltaic (PV) Arrays, Garden Roofs, Decks, Patios, and areas intended for public access. Failure to obtain GenFlex's approval for a roof modification, or failure to provide required documentation, shall render this Limited Warranty null and void.

Cut & Puncture. As a special term of this Limited Warranty, GenFlex will repair leaks caused by unintentional and occasional damage to the Membrane as a result of normal rooftop inspection, maintenance or service.
