

## Overburden Waiver

**\*THIS FORM MAY ONLY BE SIGNED BY THE BUILDING OWNER\***

**Project Name:** \_\_\_\_\_

**Project #:** \_\_\_\_\_

**Installing Contractor:** \_\_\_\_\_

**License No:** \_\_\_\_\_

**Description of Overburden (Vegetative System, Photovoltaic (PV) system, etc.):** \_\_\_\_\_

*Overburden is defined as any above-membrane material, temporary or permanent, which requires removal prior to investigation or repair of a suspected roof leak (excluding stone or pavers used as ballast in a Ballasted Roofing System Assembly). This document must be signed and submitted for a warranty to be issued (if Overburden is added prior to the issuance of the warranty) or remain in good standing (if Overburden is added after the issuance of the warranty).*

1. I agree to remove and replace any Overburden, at my expense, in order to provide access to the warranted roof system for the investigation or repair of a suspected roof leak.
2. Should damage occur to the roof system during the installation, removal, or replacement of the Overburden, I agree to pay the repair costs necessary to restore the roof system to a warrantable condition as determined by Holcim Building Envelope.
3. All electricity connected with a PV system will be rendered safe (no electricity to, from, or within the PV system), at my expense, prior to investigation and repair of a suspected roof leak.
4. I understand the warranty does not include removal, replacement, or repair of the Overburden material, and that Holcim is not responsible or liable for the appearance or performance of any new Overburden materials which are installed following the investigation or repair of a suspected roof leak. I further understand that Holcim is not responsible for any loss which I may incur resulting from rendering safe all electricity connected with a PV system.
