For the warranty period indicated above, Amrize Building Envelope LLC, an Indiana limited liability company (“Amrize”) warrants to the Building Owner (“Owner”) named above that Amrize will, subject to the Terms, Conditions and Limitations set forth below, provide labor and material to repair any leak in the GenFlex Roofing System (“System”) caused by deterioration in the GenFlex brand materials due to normal weathering or any manufacturing or workmanship defect in the System within the scope of this warranty during the period specified above.

TERMS, CONDITIONS, AND LIMITATIONS

Products Covered. The System shall mean only the GenFlex brand roofing membranes, GenFlex brand roofing insulations, GenFlex brand roofing metal, and other GenFlex brand roofing accessories when installed in accordance with GenFlex’s technical specifications by a GenFlex-licensed applicator. Any materials not manufactured or supplied by Amrize are not covered under this warranty.

Notice. In the event any leak should occur in the System, the Owner must give notice in writing or by telephone to Amrize Warranty Services (“Warranty Services”) within thirty (30) days of any occurrence of a leak. By so notifying Amrize, the Owner authorizes Amrize or its designee to investigate the cause of the leak at its option.

Investigation. Should the investigation reveal that the leak is excluded under the Terms, Conditions and Limitations the Owner shall be responsible for payment of the investigation costs. Failure by Owner to pay for these costs shall render this Limited Warranty null and void. The Owner is responsible for completing repairs not covered by this Limited Warranty to be made at the Owner’s expense that will permit this Limited Warranty to remain in effect for the un-expired portion of its term. Failure by the Owner to properly make these repairs in a reasonable manner using a GenFlex-licensed applicator and within 60 days shall render this Limited Warranty null and void.

No Dollar Limit (NDL). If upon investigation, Amrize determines that the leak is not excluded under the Terms, Conditions and Limitations set forth in this Limited Warranty, the Owner’s sole and exclusive remedy and Amrize’s total liability shall be limited to the repair of the leak. There is no dollar limit placed on warranted leak repairs to the extent such repairs are covered by this Limited Warranty.

Exclusions. Amrize shall have no obligation under this Limited Warranty, or any other liability, now or in the future, if a claim or damage is caused by: Hail; Winds of peak gust speed at or in excess of 100 MPH calculated at ten (10) meters above ground using available meteorological data (all associated building components, including but not limited to the deck substrate, joists, columns and foundation, must also meet wind speed design requirements); Roof traffic or Storage of materials or equipment on the roof not specifically accepted in writing by Amrize; Damage to the roof incurred during breach, rupture or failure of any building envelope component during a flood or wind event not covered under warranty; or, Failure to give proper notice as set forth in paragraph above.

Transfer. This Limited Warranty shall be transferable and assignable subject to Owner’s payment of the current transfer fee set by Amrize.

Alteration. Owner shall obtain Amrize’s written approval before making any alterations to the roof system or installing any structures, fixtures, or utilities on or through the roof. This includes modifications of the GenFlex roof system to serve as a support platform for Photovoltaic (PV) Arrays (aka – Solar Panels), Garden Roofs, Decks, Patios, and areas intended for public access. Roof modification approval typically requires owner sponsored enhancement of the roof system to meet additional performance requirements to ensure service life following the proposed modification. Amrize is the sole judge of whether or not enhancements to the roof system are required. Failure to obtain Amrize’s approval for a roof modification will result in invalidation of this warranty.
